

**NRC Plan Notification Placard  
- Post Prominently -**

**OIL SPILL and VESSEL EMERGENCY NOTIFICATIONS**

In the event of a spill or threatened spill in Washington State waters, including the Straits of Juan de Fuca, Puget Sound and Grays Harbor (but excluding the Columbia River\*):

**1 - NOTIFY OIL SPILL PRIMARY RESPONSE CONTRACTOR (NRC) IMMEDIATELY AND DIRECTLY - DO NOT DELAY OR RELAY THIS CALL**

**631-224-9141 or 800-899-4672**

**2 - NOTIFY VESSEL'S QUALIFIED INDIVIDUAL (QI) IMMEDIATELY - DO NOT DELAY OR RELAY THIS CALL**

The QI or vessel's owner, operator or demise charterer will notify the U.S. COAST GUARD NATIONAL RESPONSE CENTER at 1-800-424-8802 / 202-267-2675

**3 - NRC FIELD DOCUMENT**

Refer to the NRC FIELD DOCUMENT for further guidance on initial actions.

**ERTV** - An Emergency Response Towing Vessel (ERTV) is stationed at Neah Bay available to be hired by vessels experiencing a vessel emergency while in the Strait of Juan de Fuca and off the western coast of Washington State from Cape Flattery Light south to Cape Disappointment Light.

**For ERTV Call 206-281-3810 or 800-562-2856**

*\* for spills in the Columbia River system, notify MFSA at 503-220-2055.*
